

Floor & Wall Tiles

CBFD's Floor & Wall Tile Collections featuring varying designs and finishes such as Gloss, Satin & Matte.

Featured Profiles

Subway Decor Fluted Hex Lantern Interior Exterior

SIZING GUIDE

Standard tile sizes, like 200 x 200mm squares or 300 x 600mm rectangles, and shapes such as hexagons or subway tiles, offer versatility for walls, floors, and patterns. They simplify selection, blending practicality with style for polished, cohesive designs.

TILE VARIATIONS

Each tile may present subtle differences in colour, tone, and texture, which combine to create a beautifully varied aesthetic. It's also important to note that slight shade variations occur with every production run, enhancing the natural charm of the tiles.

UNIFORMED (V1)

Little to no variation in appearance.

SLIGHT (V2)

Low to moderate colour tone, with subtle variation in patterns and textures

HIGH (V3)

Colour tones and design/patterns may vary from piece to piece considerably

VERY HIGH (V4)

Substantial variation in different colour tones, random patterns and/or textures, unique installation.

150 x 150mm
0.41m²/Box (32pc),
78pc/sqm

PLEASE NOTE: The Arabesca Blue & Green collections have a craquele glaze and require sealing with an appropriate sealer. Check with your sealer company for best recommendation. Follow the products instructions for the correct application & maintenance. We recommend sealing the tiles after installation but before grouting.
